# DATO GIOVANNI

Accra, Ghana | datogiovanne2@gmail.com | +229 0166449504 | www.linkedin.com/in/dato-giovanni

## EDUCATION

**Academic City University** *(currently enrolled)* Accra, Ghana
*B.Sc. Information Technology — Since Sept. 2025 | GPA: 3.80/4.0 (Level 100) | Currently in Level 200, Semester 1*

**Trinity School College** Cotonou, Benin
*Secondary Education*

## AWARDS & ACCOLADES

- **Best in Chemistry** — Trinity School College, Benin

## PROJECT EXPERIENCE

**Project Coordinator / Team Lead** | Student Assistant AI — Academic City University, Accra

- Led a multi-disciplinary team to design and develop an AI-powered student assistant platform.
- Coordinated front-end, back-end, database, and cloud hosting workstreams across the project lifecycle.
- Managed team collaboration and version control using GitHub.
- Delivered a fully functional system supporting student registration, course enrollment, and academic advising.

**Python Developer** | Basic Mobile Money Menu

- Built a command-line mobile money application in Python simulating real-world transaction flows.
- Implemented balance checking, fund transfers, and bill payment features using core Python constructs.
- Designed clear, user-friendly prompts with logical error handling and straightforward navigation.

## SKILLS & CERTIFICATIONS

| | |
|---|---|
| **Programming & Tools:** | Python, C, Microsoft Excel, Cisco Packet Tracer, GitHub |
| **Network Fundamentals:** | OSI & TCP/IP models, Ethernet, switching & routing concepts, IPv4/IPv6 addressing & subnetting (VLSM), interface troubleshooting, wireless architectures |
| **Network Access:** | VLANs & 802.1Q trunking, DTP, Inter-VLAN routing, CDP/LLDP, EtherChannel (LACP), Spanning Tree (RSTP/PVST+), Cisco wireless (WLC, AP modes, WLAN configuration) |
| **IP Connectivity:** | Routing table analysis, static & default routing, OSPFv2 (single-area), First Hop Redundancy Protocols (HSRP/VRRP), administrative distance & metrics |
| **IP Services:** | NAT/PAT, DHCP, DNS, NTP, SNMP, Syslog, QoS, SSH remote access, TFTP/FTP |
| **Security Fundamentals:** | Threats, vulnerabilities & attack mitigation, access control lists (ACLs), Layer 2 security (port security, DHCP snooping, Dynamic ARP Inspection), AAA (TACACS+/RADIUS), VPNs, device hardening, wireless security (WPA2/WPA3) |
| **Soft Skills:** | Problem-Solving, Attention to Detail, Communication, Teamwork, Time Management,French (Fluently) |
| **Certifications:** | *CCNA — Cisco Certified Network Associate (In Progress)* |
